MEIKEL GIVEN FEW HOURS IN WHICH TO LEAVE MAYSVILLE

Alleged Religious Fakir Is Dismissed and Given Short Time in Which to Settle His Affairs and Leave the City.

"General" Phillip Melkel, self-styled Home Mission Worker, who was arrested on the streets here a few days ago on a charge of beggary and obtaining money under false pretense, was brought before Police Judge John L. Whitaker this morning and upon recommendation of City Prosecutor Daly and Chief of Police Harry A. Ort, the charge against him was filed away upon his promise to settle up his business affairs and leave the city within five hours.

Chief Ort is holding a skeleton key found in Melkel and his articles of incorporation which will be investigated. The authorities will be informed of the use Melkel has been making of the papers to obtain money from the public for his own private use.

Melkel was not tried until John Roach, the eleven year old boy with him, had left Maysville with his mother en route to the mother's home at Detroit, Mich.

Melkel, who purchased a house boat with a part of the money he had begged on the streets, was quite a busy man this morning closing up his business affairs. He disposed of the boat and will leave Maysville this afternoon for Cincinnati where he says he can obtain employment. Melkel contends that he has acted on the square in every city where he has been but says that he has been given a bad reputation by organizations who attempt to do the same sort of relief work that he has done.

STATE ASSESSMENT IS TO BE HIGHER THIS YEAR.

County Assessor Stanley F. Brady is at home from Frankfort where he attended a meeting of the Kentucky Tax Commissioner's Association. He brings home the word that this year the assessors of the State will be required to list all property at ninety per cent. of its actual value instead of at 85 per cent. of the value as was done last year. This will make a considerable increase in the total assessment of Mason county.

Attorney Thomas L. Pogue of Cincinnati, is visiting relatives in Maysville.

MANY INSPECT NEW HOMES IN CITY'S NEW ADDITION

Large Number of People at the Property of the Maysville Development Company on Friday Afternoon.

The "first over" of the Mayville Development Company's new addition to Maysville held Friday afternoon on the property was a decided success in every respect and stockholders of the company had an opportunity to see at first hand just exactly what was being done with their money.

The twenty-nine houses are now nearing completion and will soon be ready to offer for rent or sale to the public.

While those attending the inspection Friday had an opportunity to see just exactly how the houses were built, there being houses in most all stages of construction, these visitors could not appreciate the beauty of the new addition. When the houses are all painted, the cement sidewalks laid and the bluegrass lawns in good condition, the appearance of the addition will be improved 100 per cent.

President E. T. Kirk and Director H. J. Cochran made short talks and urged continued co-operation on the part of the stockholders. The Boys' Band concert was as usual very delightful.

LOCAL MEN ENJOY BIG NEWPORT INITIATION.

Members of Pisgah Encampment I. O. O. F. headed by Past Patriarch Harry L. Walsh, have returned from Newport where they attended the initiation of a large class in Royal Purple Odd Fellowship Friday evening. As usual the Newport Encampment gave a great banquet following the initiation.

MANY HEAR BAND ON STREET FRIDAY.

There were many people on Market street Friday evening to hear the Boys' Band in their weekly concert. The concert was certainly delightful and the several new numbers rendered show that the members of the band are working hard to get up a big repertoire for the fair season this year.

REPRESENTS MASON WOOL GROWERS AT LEXINGTON.

County Agent George Kirk went to Lexington today to meet with representatives of county wool pools from over the state to consider what action to take in the matter of offering the Kentucky pooled wool for sale on the present low market.

AGREEMENT TO BE REACHED ON HARVESTERS' SALARIES

Farmers Fix Prices They Consider Fair and Harvesters Will Meet Next Saturday to Consider Figures.

At a meeting of the Farm Bureau Friday afternoon the following prices were decided upon as fair for the coming harvest season:

Field hands, \$3 per day and board; Sackers, \$4 per day and board;

Stackers \$4 per day and board.

Shockers, \$3 per day and board.

These wages are in proportion to \$4.50 to \$5.50 paid in towns where laborers furnish their own board.

A meeting of the harvesters will be held at the Farm Bureau building on next Saturday when these prices will be considered and acted upon. If these prices are not acceptable to the harvesters they will get together with the farmers and reach an agreement which will be acceptable to both the farmer and harvester.

BACK FROM BIG STATE CONFERENCE.

Assistant County Agent John Hurst Adams is at home from Lexington where he has been for several days attending a conference of Boys' Club workers at which conference plans were discussed and laid for the Boy Club work in the rural sections of the state for this summer. Mr. Adams will have charge of the club work in Mason county this year and has already begun the organization of such clubs.

MONEY FOR JURORS IN MARKSBERRY CASE IS HERE.

Circuit Clerk James R. Key today received checks for the Mason county men who were called to Brooksville on the Marksberry jury. The men are allowed the regular juror's fee plus the mileage allowed in traveling from their homes to Brooksville. All men who were called to Brooksville on this jury may present their checks from Clerk Key at any time.

NO BIDS FOR ROAD WORK.

There were no bids filed in Fiscal Court today for the proposed improvement of the Fleming pike, advertisement of which was recently carried. There were, however, bids for the building of culverts but because of the absence of Deputy State Road Engineer J. D. Ross, the bids were not opened today.

MANY FARMERS HERE REPORT CROPS GOOD.

Many farmers were in the city today on business and many were brought here by the meeting of the bi-partisan board appointed to recommend the redistricting of the county. All of the farmers report crops in good condition and prospects fine for both corn and tobacco throughout the district.

DEVELOPMENT COMPANY TREATS BAND.

Following the band concert in Market street Friday evening the Mayville Development Company treated the members of the Boys' Band to ice cream and cake.

Zachary of Washington holds first place in hitting among American league pitchers, while Orman, the Brooklyn Twinkies tops the National league pitchers.

STATE REPUBLICANS PLAN SOLID FRONT IN BIG CAMPAIGN

Contests Before State Committee Are Settled at Meeting Held in Louisville — Crane, Elector at Large.

Louisville, June 26.—Contests in the ranks of the Republican party in Kentucky were disposed of by the State Central Committee in preparation for the aggressive campaign to be waged in the State during the coming campaign.

The meeting of the committee was for the purpose of deciding on contests coming up from six counties or certain members of the organization were questioned as to their right to serve.

In the Lee county contest, where two factions were claiming to be the regular committee, the case was passed until July 5, in order to give one of the contending factions time to make further proof as to the regularity of its organization.

Various party leaders spoke in favor of a harmony program and urged that such action be taken as would insure a united front in the campaign to carry Kentucky for Harding and Coolidge as well as all other Republican nominees at the election in November.

Speakers were Judge B. J. Betlherum, of Somerset; Charles Finley, a member of the committee from Williamsburg; Virgil Moore, member of the committee from Madisonville; Judge Morrow of Somerset, and others.

The contest in which there was the greatest interest, due possibly to the prominence of the participants, was in Pulaski county, where Ben Waddell, chairman of one committee, was contesting the seat of another committee headed by J. R. Cook. Lined up on the side of the contestant in this case were Judge Morrow and Ben Waddell together with a score or more prominent Pulaski county Republicans, while Judge Betlherum, Judge Denton, Judge Cooper, railroad commissioner from this district, and others headed the other faction.

Contestants were challenging the right of incumbents to seats on the grounds that the call under which the mass convention was held at which they were elected, had not been properly advertised as directed by the State Central Committee. After hearing the statements by attorneys for both sides, affidavits and witnesses, the committee went into executive session, later giving its decision in favor of the contestants, headed by Mr. Waddell.

The committee accepted the resignation of S. S. Willis of Ashland, as Republican elector from the State-at-large, and Mitchell Crane, of Jackson, the original Hardling man from Kentucky at the Chicago convention, was elected to fill the vacancy. It developed that Mr. Willis is the city attorney of Ashland, which made him ineligible for State elector.

At a meeting of the men of the local Baptist congregation held at the church Friday evening the Baptist Men's Union was formally organized. The membership of the organization is confined to the male membership of the local Baptist church. The officers elected were: President, W. J. Caplinger; Vice President, C. S. Kirk; Secretary, H. Y. Cardwell; Treasurer, R. M. Gaither.

Mrs. James M. Woods of Forest avenue, has returned from a very delightful visit with relatives and friends at Cincinnati.

Mr. Leland Nicholson left this morning for Newport to visit relatives over Sunday.

WHAT D'YOU MEAN, BABE?

Robertson County Children on Loaded Wagon Have Narrow Escape From Death.

BABE'S BATTING EYES

Here is strength and helpless ness in baseball personified. It shows the mighty "Babe" Ruth of the New York Yanks, home run swatter, who is on his way to a new record, holding in his arms "Babe" Thomas, the infant son of Chet Thomas, catcher for the Cleveland Indians. Thomas and Ruth played together on the Boston Red Sox team, so Ruth looked over Thomas' new son when the Yanks and Indiana played in a recent series. Ruth's record last year was 29 home runs. Already this year he has passed the 20 mark.

CARNIVAL WILL BE ORGANIZED HERE.

The big carnival which will exhibit here next week under the auspices of the American Legion will be organized in Maysville the first city in the States. The carnival has been showing in Canada but it will show in Maysville the first city in the States. The carnival opens here on next Saturday but it is expected that a part of the equipment will begin to arrive here during the first of the week.

CHILDREN HAVE VERY NARROW ESCAPE

Robertson County Children on Loaded Wagon Have Narrow Escape From Death.

The Mt. Oliver Tribune-Democrat says: "Tuesday morning, at the home of Thomas Miller, of Bridgeville pike, there was a narrow escape from fatal accident on the part of several children. Sometime ago a wagon that had been used in hauling lumber was left standing at the top of a hill, and which was shocked to prevent it from being pushed down the hillside to the hollow below. On the day mentioned, Stanley Montgomery, son of G. H. Montgomery; James Miller, son of Thomas Miller, and Rosa Nell Overby, daughter of Richard Overby, got on top of the wagon. The little son of D. A. Miller attempted to get aboard but about this time the wagon started down hill, the shock by some means having been removed. James Miller fell off, a hind wheel of the wagon passing over and badly bruising his arm; Stanley Montgomery made a safe jump, but the little girl held on and escaped without injury. The wagon struck the hollow with great force, driving the tongue four or five feet into the bank and breaking it in two.

TWO CITY PRECINCTS WILL NOT BE DIVIDED IN RE-DISTRICTING

First and Third Wards Will Remain Single Voting Precincts — Other Wards Are Divided Into Two Precincts.

The bi-partisan commission recently appointed by County Judge Purnell to make recommendations in the redistricting of the county for the purpose of earing for the woman vote, met at the court house this morning and went into the matter very thoroughly. It was little trouble for the representatives of the six city wards to reach agreements in dividing those wards but the country precinct committees had much more trouble because of the legal requirement that a voting precinct cannot cross the lines of a magisterial district.

It was found that the First and Third wards, the two smallest city precincts will not have more than the legal number of voters even with the addition of many women voters, but it became necessary to divide the other four wards.

The Second ward was divided by Third street. Those living south of Third street in the Second ward will vote in Precinct A, and those living north of Third street will vote in precinct B.

Plum street was made the dividing line in the Fourth ward. Those living west of Plum street will vote at precinct A, and those living east of Plum street will make up precinct B.

Lexington street divides the Fifth ward. Precinct A being made up of those living west of Lexington street, and precinct B of those living east of Lexington street.

The Sixth ward is divided by Wood street. West of Wood street being A precinct, and east of Wood street being B.

As a complete division of the county precincts had not been made at press time the new county precincts cannot be given but they will be published within thirty days prior to the Presidential election when the changes will be made and the women of Kentucky will vote for the first time.

CRAWFORD FOUND NOT GUILTY.

The case of Mollie Crawford vs. William Crawford, accusing the latter of having earned knowledge of his niece, Miss Mollie Crawford, a female under 16 years of age, was tried before Judge C. D. Newell Tuesday and Wednesday. Attorneys Barker of Falmouth, McCartney, of Flemingsburg, Buckler, of Mt. Olivet, for the defendant, and Grannis and Harrison representing the Commonwealth.

The case was peculiar in that Mrs. Crawford brought the suit for her daughter, Mollie, while the husband and father took the side of the defendant, who is his brother.

The case passed to the jury Wednesday afternoon, and a verdict of not guilty was rendered in thirty minutes—Brooksville Review.

His education was received in Omaha and in Baden-Baden, Germany. His experience as a national lawmaker dates back to 1902, when he first entered the House of Representatives. In 1911 he won a seat in the Senate. During the war with Germany he held the most important committee memberships of any member of Congress—chairman of the Foreign Relations Committee, vice-chairman of the Military Affairs Committee, vice-chairman of the Bank and Currency Committee and also vice-chairman of the Democratic Steering Committee. In Washington Senator Hitchcock is known as a man of ability, force of character and liking for the conduct of politics.

Do You Want Your Kidneys Examined Out?

Kidney troubles are getting more common every day. Government health bureau figures say deaths from this cause are 72 per cent more than five years ago.

Anybody who has dizzy spells, headaches, and urinary disorders should suspect kidney weakness. Overworked kidneys must have a rest. Take things easier; live more carefully. Take a good kidney remedy to build the kidneys up again.

But be sure to get Doan's Kidney Pills—the oldest, the most widely used, the best recommended of all kidney pills, now in use all over the civilized world. Ask your neighbor. Don't experiment with your kidneys. Thousands have already tested Doan's. You have their experience to go by. Plenty of ease right here in Maysville. Here's one:

Mrs. W. A. Schatzmann, 605 E. Second St., Maysville, says: "From the time I have received from Doan's Kidney Pills which I buy at J. J. Wood & Son's Drug Store, I have every reason to recommend them. When my kidneys have been irregular in action, or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proved sufficient to quickly cure an attack."

Price 60¢ at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schatzmann had. Foster-Milburn Co., Mts., Buffalo, N. Y.

TALENTED CHILDREN

To Appear in Two Concerts at Chautauqua

Musical talent in children is seldom of sufficient merit to warrant their appearance in professional roles, but Chautauqua this summer is presenting an unusual attraction in the persons of the Juvenile Trio, youthful musicians of unmistakable talent.

Their performance carries with it the charm of youth and the fresh vigor of young minds and hearts.

Brooks Kobl, violinist, has been called a second Heifetz; Ethel Upton, soprano, has a voice which has been the envy of many more-mature artists, and Caroline Reed, pianist, leaves nothing to be desired in her work as soloist and accompanist.

TERribly SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Roswell — Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs, and fell off until he weighed 110 lbs. In two weeks,

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He became corpulent, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Thedford's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Thedford's Black-Draught."

Thedford's Black-Draught will help you to keep fit, ready for the day's work. Try it! NC-131

FATHER WATT.

HERBERT LEON COPE, HUMORIST

"Family Remedies" will be the subject of a lecture by Herbert Leon Cope, Humorist, the last day of Chautauqua this summer.

Father Watt, British chaplain and diplomat, brings a message during the coming Chautauqua season that brings England and America closer.

THE RUSSIAN RIDDLE

Jerome Davis to Tell About It at Chautauqua

The American public has been strangely stirred over the fate of Russia; strangely-stirred because of the vast difference between the two nations, but not so strangely when one considers that this dissimilarity has been bridged by the danger of Bolshevikism in both countries.

From the midst of conflicting rumors of the conditions in Russia Americans have finally turned, if not in disgust, at least in perplexity.

Few indeed are the men who are speaking and writing on Russia who have the weight of authority based on first hand information to lend reality to their views.

Jerome Davis, who appears on the Chautauqua program this year, is one of the few who has personal experiences in Russia to lend weight to his statements. As Y. M. C. A. secretary there he has come into contact with peasants, soldiers and men prominent in the national life of Russia, and from his experiences and contacts he draws conclusions that it behoves Americans to hear.

It begins to look as if the two Philadelphia teams are repatters, as both Athletics and Phillies finished in the cellar last season.

Meadows of the Phillies, Reutter of the Reds, and Alexander, the Cub star, are battling at the top of the list for National league pitching honors.

"Babe" Ruth continues to chalk up home runs, but for sure fine steady hitting Mensel has it on his Yankee teammate by 50 points in the batting averages.

With Hi Myers the only regular hitting in the .300 class, the Brooklyn Robins have had to do some nifty work to keep in or near top place.

PEP TO BE PUT INTO CHAUTAUQUA CAMPAIGN

Second Advance Man For Maysville Chautauqua Will Arrive Here Tues. day to Handle Bootleg of Annual Meeting.

A very interesting meeting of the managing Committee for the 1920 chautauqua was held Friday evening at the Chamber of Commerce for the purpose of taking stock and seeing just how things were shaping themselves for the big annual meeting.

The committeemen volunteered to take an extra allotment of season tickets and these men are now making efforts to sell those tickets. Season tickets can now be found on sale at most every business house and shop in the city and everyone is advised to purchase their tickets just as early as it is possible for them to do so.

A telegram was received this afternoon announcing that Mr. H. B. Barrett, the second advance man will arrive here on next Tuesday to put up the advertising matter and to spread banners and posters all over the country. This advance man will remain on the job here until the Superintendent and the crew arrives.

ATTACK ON JAIL.

Wauseon, O., June 26.—Five armed men attempted to hold up the Fulton County jail here today and liberate Edward O'Neill, 27, held on a bank robbery charge. Webb Stowe, 60, watchman, was shot through the shoulder by the bandits when he summoned aid. O'Neill is to be tried for robbing the Delta (O.) Bank of \$22,000.

Besides his home-run championship, "Babe" Ruth holds the record of making the longest hits ever recorded in several of the American league parks.

COLORED STUDENTS WILL BE GIVEN ASSISTANCE

Colored Students' Aid Committee is Organized to Help Finance Maysville's Colored Students.

There has recently come into being in this city a colored organization the nobility of whose work will in time become immortalized. The names of those who make up its official body as well as the names of all who contribute to its support will become household synonyms for good. This organization's name is "The Maysville Colored Students' Aid Committee." Its object is to aid in securing work, to aid in getting money, and to aid in furnishing food and right kind of advice to the colored students who attend college.

Between twelve and fifteen boys and girls have already applied to this committee for help in their desire to attend college next fall. And since these girls and boys have been promised help, there has been a great improvement in their conduct, they have taken a brighter vision of life, they have begun to work more steadily and to be more saving with their money — for these young boys and girls now have a definite, concrete, useful purpose to live and strive for in life.

Monday, June 28, the officers of this committee — Misses Besse Higgins, Mary G. Britton, Lydia Walker, Mrs. Mary Howe, Misses Pearl Ward, Ed. W. Chambers and W. H. Humphrey, will begin a campaign of visitation to every colored family in this city for aid for these fifteen boys and girls. Every colored person of Maysville should give until he or she feels it — since this Colored Students' Aid Committee is for the colored boys and girls of Maysville. It does not send its money out of this city. It is just for our home boys and girls. It has no state nor national organization.

COLORED CITIZENS.

The U. B. F. and S. M. T. annual thanksgiving service will be held Sunday afternoon at the Bethel Baptist church at 3 o'clock. The public is cordially invited to attend.
